

Summer Intern Scholarship Program

AAA Moving & Storage / Allied Alaska proudly supports post-secondary education in our communities and will offer the following scholarship program to qualifying summer interns to assist them with tuition in the coming year.

- \$500 scholarship* towards your post-secondary education for the first** full summer internship
- \$750 scholarship* towards your post-secondary education for the second** full summer internship
- \$1,000 scholarship* towards your post-secondary education for the third** or more full summer internship

Requirements:

1. Must be a summer, seasonal associate employed as a helper, packer, driver, warehouseman, or other Service Center operational, non-management position.
2. Completion and submission by the deadline of the Summer Intern Scholarship Application.
3. Must provide proof of enrollment in a post-secondary (education after high school) institution beginning after the completion of your summer internship, but prior to 12/31 of the year of your summer internship.
4. Must work full-time or be available to work full-time and respond to all work requests between May 1 and August 31 (accommodations will be made for ending and beginning dates of school later in May or earlier in August with proof of such dates provided, but accommodations will not be made for summer school).
5. Supervisor acknowledgment of good work performance and attendance. Disciplinary actions may disqualify applicants.

Questions regarding the Summer Intern Scholarship Program may be directed to the Human Resources department.

***All scholarships are taxable income to the recipients.**

****Years of internship are counted beginning in 2015.**
